| BIO 152 | Principles of Biology II | | | |
| DHN 212 | Introductory Nutrition | | | |
| DHN 241 | Food Service Sanitation | | | |

Pre-Major GPA: _____

Application Deadlines:

- September 15th to be considered for Fall admission
- February 15th to be considered for Spring admission
- July 15th to be considered for Summer admission

* Students can apply for upper-level admission during the semester in which they are completing the pre-major components listed above and, if the GPA requirement is met, will be offered conditional admission to the upper-level program. Grades will be verified at the end of the semester.

** A student can repeat a pre-major course to meet the GPA requirement. If a student repeats a pre-major course as one of their three University-accepted repeat options, only the repeat grade will be factored into the pre-major coursework GPA. If a student repeats a course outside of the University-accepted repeat options then the course grades will be averaged and then factored into the pre-major coursework GPA.
