Hannah:
KAND Nutrition Fuels Fitness 5K this weekend. They have enough volunteers, but you are still able to sign up to run if you would like. We will have a table to show what SDNA has been doing this past semester.

This Thursday, April 9th, we will have a presentation at Stonewall Elementary Science Night talking about sugar consumption. It will be 5:30-8:00. There will be a group going and there are still a few open spots. Contact Hannah if interested.

Monica Fowler and her Graduate Assistant Emily:
Presentation on the sports nutrition program with UK athletics
There will be an application sent through the DHN listserv soon for those who are interested in applying to be a nutrition volunteer with the football team

Treasure’s Report: $252.68
